MEMORANDUM FOR: Deputy Director for Administration  
Director of Security

FROM:

Deputy Director for Legislation  
Office of Congressional Affairs

SUBJECT: Annual Report on Criminal History Record  
Information

The first annual report on the effect on CIA of the requirement to pay fees to states and localities in conjunction with requests for criminal history record information is due to the House and Senate Intelligence Committees on 1 January 1987. This was levied by the Conference Report to the FY 1986 Intelligence Authorization Act (excerpt attached). As of this date the report has not arrived in the OCA Registry for transmittal to the two Committees. I would appreciate it if you would have someone in your component contact in my office on the status of the report.
